ABOUT THE COLLEGE

Mangalam Educational Institutions, Ettumanoor was founded by late Mr. M.C Varghese. Mangalam College of Engineering (NAAC accredited) is one of the institution under the Educational Society which started functioning from the year 2002. The various blocks are spread over 25 acres with a built up area of about 160000 sq. meters. Mangalam College of engineering offered B.Tech., M.Tech., and Ph.D. programmes in different disciplines.

ABOUT THE DEPARTMENT

Department of Computer Science and Engineering at Mangalam College of Engineering, was established in 2002 to meet the challenges of higher education, research and innovation in key areas of Computer Technology. The department equipped with wifi enabled excellent laboratories and library to carry out research projects. The department aims to develop computer and software engineers who are industry-ready, innovative and entrepreneurial to become global leaders in research and technology.

Vision: To become centre of excellence in computing and research where future generations embrace technologies wholeheartedly and use its possibilities to make the world a better place to live.

Mission: Enlight the young talents to achieve academic excellence as well as professional competence by imparting state of the art knowledge in computing and to be admirable individuals with ethical values and appropriate skills.

Program Educational Objectives

PEO 1: Graduate will have strong foundation and profound knowledge in computing and allied engineering and be able to analyze the requirements of real world problems, design and develop innovative engineering solutions and maintain it effectively in the profession.

PEO 2: Graduate will adapt to technological advancements by engaging in higher studies, lifelong learning and research, there by contribute to computing profession.

PEO 3: Graduate will foster team spirit, leadership, communication, ethics and social values, which will lead to apply the knowledge of societal impacts of computing technologies.

CONFERENCE THEME

ICCIDT 2K22 aims to explore Computational Intelligence and Digital Technologies in a wide range in the form of presentation and discussion with eminent personalities in terms of experience and expertise

Call for Papers

All Papers related to Computational Intelligence and Digital Technologies are invited as detailed but not limited.

- * Artificial Intelligence & Robotics
- * Big Data Analysis & Cloud Computing
- * Datamining & Warehousing
- * Digital Signal & Image Processing
- * Data Compression & Multimedia Techniques
- * E-learning & Internet of Things
- * Embedded System & Machine Learning
- * Grid Computing & Web Technologies
- * Network Security
- * Mobile Computing & Wireless Communication

IMPORTANT DATES

Manuscript Submission	30.04.2022
Manuscript Acceptance Notification	10 th May 2022
Registration Opens	11 th to 13 th May 2022
Final Manuscript	13 th May 2022
Conference Date	3 rd & 4 th June 2022

Submission Procedure

- * The softcopy of the full manuscript should be sent through email to iccidt@mangalam.in on or before the submission date. The manuscript format is available in <https://www.iccidt.in/>
- * Submission should be an original contribution and should not have been presented or published elsewhere.

REGISTRATION FEE DETAILS

Nature of Participants	Indian	Foreign
UG/PG Students	₹ 2500/-	\$50
Research Scholar	₹ 2750/-	\$75
Academicians & Industry Delegates	₹ 3000/-	\$100

Note: Payment details and Registration form will be given after completing the peer-review process.

PUBLICATIONS

- All submitted papers will be peer-reviewed to ensure their quality and relevance.
- All accepted & registered papers will be published in peer-reviewed journal **IJERT** and **Conference Proceedings** without any additional payment.
- Selected papers will be published in Scopus indexed journal **IJCNC** with additional payment.
